BUSINESS OUTLOOK GOOD.

The business situation has been omewhat adversely affected by tariff gitation for the past three months, orders for nearly all classes of merchandise having been placed upon a hand-to-mouth basis. Neither jobbers nor retailers cared to stock up beyond immediate requirements when the conditions of buying were so unsettled. As a result, stocks at both first and second hands have in many cases become much depleted. Meanwhile consumption has been going on at much about the brdinary rate. Per Year by Carrier.......\$7.00 Clothing and shoes are being worn as Per Month by Carrier...... .65 usual, and there has been no slackening in the consumption of food, except such as may have been enforced One Year..... \$2.00 by high prices. This situation means up. Six Months 1.00 that as soon as uncertainty is removed, considerable activity must develop That there are any Armenians left for the purpose of replenishing exas a disturber of business, no real resumption of activity can be expec-Some jingo lost a grand opportuni ted until the outcome of that question ty to agitate a war between the Unit- is foreseen. Nobody now anticipates any important changes from existing schedules, which is perhaps politicalmay loom up again in disturbing form at some future date. This, however, The Chicago Record-Herald thinks is a distant problem and has nothing as it is hoped, the tariff be settled before June 1, we may expect a further improvement in general trade; and should the next harvest prove anything like satisfactory the coming It is the opinion of the Columbia fall should witness a very decided reness situation is the outlook for pro-
